Oisins Remix of Butterfly is a loved-up dance version with euphoric sentiment, warmth and space. It merges early wave ambient house music from pioneers like FSOL and 808 State with a Keralan sunset and an Ibiza beach. For loved-up hearts everywhere.

Butterfly is a Duvestar production by Oisín Lunny and Marie Glad. The original version was released in December 2010 as part of Bedroom Stories part one by Marie Glad.

Oisín Lunny was one of the pioneers of the Irish dance music scene, through DJing with Gilles Peterson, Norman Jay and Hacienda legend Mike Pickering in the late 80s then running his own club nights in Dublin. In the early 90s Oisín moved to the UK with a record deal from Talkin' Loud for his band Marxman, resulting in a UK top 30 chart hit. Oisín later released the number one buzz chart club hit "The Mood Club" as Firstborn. Oisín is producer, DJ (Global Gathering, Bestival, Homelands, Electric Picnic) and composer for film who has previously worked with U2, Sinéad O'Connor and Gangstarr.
